!!

What do you think you're doing?!

Harassing nobles?! Are you out of your mind?!

Heh! You're barely hanging on a thread by dirty means I must add. Don't make me laugh.

W-what?!

What are you just watching for?! Get them out of here!

What are you waiting for?!

퍽

?!

Uh.. uck..

Yet he seems fine?

Ugh..

..?!

What does that have to do with Rokan?!

My daughter turned into some black matter with black flames

Are you still going to insist that it has nothing to do with Rokan?!

.....

What does that have to do with Rokan?!

I already know you're using Forbidden magic! Your servants have been used as shields!

Are you still going to say Rokan has nothing to do with this?!

Sajain?

Ah, no...

You eloped with my daughter.

She came back dead

I care not of a whore's death.

Ha...

Ku hahah haha hahahahah hahaha

Hahahahaha Hah

Ku..

You're indeed an honorable noble.

Though you seem to fail to understand the gravity of the situation

Take her away.

?!

F... Father!

I will see whether your pride will still stand after your son is killed

N... no!

Help me, father!

What are you waiting for?! Go after them!

Go out there and rescue Rathgard

Sejin... Sejin..!

How dare he..?! I swear that I will have you ripped apart for what you've done to nobles!

Where have they gone?
